

UT ONE HEALTH INITIATIVE

Lunch & Learn Seminar Series

This series brings together speakers from across UT, the nation, and world to discuss their work and how they tackle current global challenges.

From decreased biodiversity to increased anti-microbial resistance, the health of all living organisms is affected by the health of others.

This series will explore how solutions can be achieved by viewing these problems through a One Health lens.

Thursday, April 27, 2023 | 12 - 1pm EST
